**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

This is a Response to the August 31, 2006 Notice of Non-Compliant Amendment for the above-captioned U.S. patent application. The Notice indicated that the amendment filed on August 18, 2006 is non-compliant because the status of the amended drawings was not identified in the top drawing margin.

Attached to this Response is the corrected section of the Non-Compliant Amendment consisting of an Appendix A and Appendix B including marked up and clean versions of amended Figure 14 in which the amended Figure 14 in Appendix B now includes the designation "Replacement Sheet" at the top margin.

Respectfully submitted,

Dated: September 14, 2006
